

East Valley Yamaha Music School  
Social Distancing Plan

Gilbert Parks, December 2020

## SIGNAGE

At all significant entrance points, there will be posted signs reminding participants and audience members to maintain a six-foot distance and wear a face covering. Balloons will be set at intervals larger than six feet to demonstrate where audience members should sit while maintaining social distance. Chairs will be set for young performers so that they can maintain distance while waiting to perform.
